

Artikelnummer: A-89019-RVS

Stainless steel trolley - for 800x600mm stacking bins

Product specifications

Weight (kg)	7,5 kg
External dimensions (L x W x H)	870 x 610 x 170 mm
Material	Stainless steel
Dynamic load capacity	300 kg

Properties

Because two rigid casters extend lower down, the trolley may be rotated on its own axis

Stainless steel trolleys may be stacked without problems; the recesses for the lowered rigid caster make safe stacking of the trolleys possible

Stainless steel trolley A-89019-RVS is provided with six Ø 125 mm nylon rigid casters; to prevent accidents, no swivel castors are used
