Material	Steel
Dynamic load capacity	500 kg

## Properties

Trolley 8007100 is provided with two nylon rigid casters and two swivel castors, Ø 125 mm with non-marking rubber tread and galvanised housings

## Description

Dolly / mobile base (635 x 470 x H 200 mm) in galvanized version. For transport crate 210 liters (order no. 8102.colorcode; see "Related products"). The base is equipped with 2 fixed wheels and 2 swivel wheels in galvanized version with wheels Ø 125 mm with non-marking rubber tread. Very robust base that is particularly used when the transport crate needs to be lifted onto and removed from the base with a forklift. With this dolly, this can be done effortlessly, as the crate stands with its legs on the frame.
