Properties

Flexibility due to universal compartments and insertion variants.

Good rinse-through and low screening.

The Techtray workpiece carrier plate can be used both as a base and a cover.

Lateral and lengthwise dividers in different heights enable grids to be set up at spacings of just 13 mm: compartments as small as 9.5 x 9.5 are possible.

Techtray workpiece carrier can be stacked with using stacking bolts.

Can be used both as an insert for the standard basket or modular carrier frame and as an independant workpiece carrier.
