Properties

With generous rounded corners for effective emptying and easy cleaning.

Optimal hygiene due to the minimal external rib structure.

Thick wall and bottom construction for good impact resistance and long lifespan.

Equipped with lowered upper edges on the short sides for proper ventilation of the content.

Description

White UNIBOX stackable container in Euronorm format (600 x 400 x H 225 mm - 40 liters). Completely closed design, with smooth walls and a smooth base. The UNIBOX features ergonomic bowl handles for easy handling. These particularly hygienic UNIBOX stackable containers have virtually no ribs on the outside and boast generous rounded corners with a large radius. This design simplifies cleaning and emptying. UNIBOX containers have depressions on both short sides in the upper rim to allow for quick cooling and good ventilation.
