Vat 200 litre - heavy duty - white

Product specifications

Uitwendig (LxBxH)	670 mm
Capacity	200 liter liter
Material	HDPE
Article number	81481010
Weight (kg)	8 kg
Temperature range	-30°C to +40°C, briefly up to +90°C
Color	White

Properties

Extremely robust and impact-resistant vat

Description

Robust Plastic Drum: Reliability in Industrial Environments

Looking for a reliable and sustainable solution for your storage needs? Discover our heavy-duty plastic drum, designed for tough applications and demanding environments. With an impressive diameter of 730 millimeters and a height of 670 millimeters, this drum offers a generous capacity of 200 liters, making it ideal for various industrial applications.

Durability for Long-Term Use

This plastic drum is made from exceptionally high-quality material, which is exceptionally impact-resistant and durable. Thanks to the bottom rim, specially designed to prevent abrasion, you can rely on long-lasting performance, even under heavy conditions. Whether it's food processing or other industrial applications, this drum ensures reliability.
