Height of the Triobox may be adapted to your requirements

The Triobox is assembled from three BIG BOXES

With a 1" outlet provision on one short and one long side

With a 2" outlet provision on one short and one long side

Description

XXL-BIG BOX, triple plastic pallet box (1200 x 800 x H 1760 mm - 1500 liters). Food-safe XXL BIG BOX pallet box on four legs with closed side walls and reinforced bottom. The XXL pallet box is composed of three pallet boxes. The standard height of the triple pallet box is 1760 mm. Another height can be realized upon request. Possible heights range from 1320 to 1760 mm; with volume capacities between 1100 and 1500 liters. For exact specifications, please inquire with our product specialists. The pallet box is equipped with a 1" and 2" outlet provision on both one short and one long side. The BIG BOX pallet box has convex, outward-facing wall panels for optimal volume of the container. This results in up to 10% volume gain compared to conventional pallet boxes.
